FALL 2023
KRITIK STUDENT SURVEY RESULTS

WHY DO STUDENTS LOVE KRITIK?

Data from 570 student respondents in Fall 2023

LEARNING BY TEACHING

> *"Kritik is so easy to use and I love the fact that I can see how other students think and work on the same questions and how differently we interpret what we learned in class. It helped me become a better evaluator and improve my writing skills."*

92% ⬆ +6% from F22

Kritik allowed me to **quickly receive personalized feedback** on my work

92% ⬆ +11% from F22

Participating in **Kritik activities** helped me **learn the course content better**

98% *New!*

I was **honest in the written evaluations** I gave my peers in Kritik

WHY DO STUDENTS LOVE KRITIK?

86% ⬆ +13% from F22
My **critical thinking skills improved** as a result of using Kritik

86% ⬆ +6% from F22
My **communication skills improved** as a result of using Kritik

83% ⬆ +8% from F22
The grades my peers gave me were **similar to the grades my instructor** would have given me

SELF-REFLECTION

"I love the feedback part [In Kritik], where I can get constructive responses for my answers. I got to learn other people's solutions while solving the same question in a different perspective which enhances my knowledge base about that problem"

WHY DO STUDENTS LOVE KRITIK?

79%
When I provided **constructive written evaluations for my peers I was not penalized** for my honesty

58%
Believe Kritik should be used in **more than one course** they take

QUICK STUDENT SUPPORT

"I have only heard positive things from students about your Support team. I think they like that I don't have to get involved in their issues. My guess is that your support is at least 10 times better than the support our university provides, which can take weeks to resolve any issues."

- Prof. Brian Hoyt | Ohio University

KEY PRODUCT CHANGES OF 2023
